

GED Preparation Program

Never finished high school?

Hoping to find a better job?

Want to earn a college degree?

The GED Preparation Program is a free intensive 10 week course to help participants prepare for the GED Exam. The program provides instruction in the five subject areas found on the GED test:

Reading * Writing * Math * Science * Social Studies

The program starts on June 21st and runs through August 26th

Class times are 10 am to 2 pm – Monday through Thursday

Services Available:

- Classroom instruction
- Individualized tutoring
- Computer assisted learning software
- Access to the Career Center services

Space is limited – Don't hesitate!
